Public School Enrollment		647		672	3.86%
Consumer Price Index					8.00%

Tax Rate Information

Tax Rate Guidelines: Please use the following guideline to determine estimated school taxes for the 2024-25 school year.

Tax Rates will be finalized in August when the District receives the final State Equalization Rates and final assessments

The taxes below are calculated using an estimated increase to assessed value based on the past four year average.

Tax Equation = Assessed Value (minus \$30,000 Basic STAR Exemption) / 1,000 X Estimated Tax Rate

Example:

Assessed Value	\$ 100,000	
Less Basic STAR Exemption	\$ 30,000	
Assessment After STAR	\$ 70,000	-
Assessment Divided by \$1,000	70	
Multiplied by Estimated Tax Rate of \$28.60	\$ 2,047.43	This is the 2024-25 Estimated Property Tax.

If the assessment is ... the estimated school tax for the 2024-25 school year would be...

\$ 125,000	\$ 2,778.66
\$ 150,000	\$ 3,509.88
\$ 175,000	\$ 4,241.11
\$ 200,000	\$ 4,972.33

The School Tax Relief (STAR) program offers property tax relief to eligible New York State homeowners. If you are eligible and enrolled in the STAR program, you'll receive your benefit each year in one of two ways:

- 1. STAR credit check. If you are registered for the STAR credit, the Tax Department will send you a STAR check in the mail each year. You can use the check to pay your school taxes. You can receive the STAR credit if you own your home and it's your primary residence and the combined income of the owners and the owners' spouses is \$500,000 or less.
- 2. STAR exemption: a reduction on your school tax bill. If you've been receiving the STAR exemption since 2015, you can continue to receive it for the same primary residence. As long as you remain eligible, you'll see a reduction on your school tax bill for the amount of your STAR exemption. Note: The STAR exemption is no longer available to new homeowners.

All property owners, upon application to the Town Assessor, are eligible for one of two STAR Tax Exemptions or Credits:

Basic STAR - a \$30,000 deduction or credit on assessed value. A one time application is required.

Enhanced STAR - a \$60,000 deduction or credit on assessed value available to Senior Citizens ONLY, requires an annual verification by March 1.

BUDGET VOTE and BOARD OF EDUCATION MEMBER ELECTION

Tuesday, May 21, 2024 / 7:00 a.m. to 9:00 p.m.

** Middle School-High School in Fabius

** Pompey Community Church in Pompey

ANNUAL PUBLIC BUDGET HEARING on Tuesday, May 7, 2024 at 6:30 p.m. in the Middle School-High School Auditorium

THE VOTE ON THE 2024-2025 SCHOOL BUDGET, TRANSPORTATION PROPOSITION and BOARD OF EDUCATION ELECTION shall take place Tuesday, May 21, 2024, 7:00 a.m. to 9:00 p.m., in the Middle School-High School Auditorium Foyer at 1211 Mill Street in Fabius for district residents of the Towns of Fabius and Cuyler, and at the Pompey Community Church at 2555 Berwyn Road for district residents of the Towns of Pompey, LaFayette and Cazenovia.

VOTER REGISTRATION shall take place with the District Clerk, Deputy District Clerk or a member of the Board of Registration during the hours of 8:00 a.m. to 4:00 p.m. (any school day) at the District Office located at 1211 Mill Street, Fabius, New York, provided, however, that such registration shall not take place after May 16, 2024.

VOTER QUALIFICATIONS are as follows. You must be 1) a citizen of the United States, 2) eighteen (18) years of age, and 3) a resident of the District at least thirty (30) days prior to May 21, 2024.

APPLICATIONS FOR ABSENTEE AND EARLY MAIL BALLOTS are available in the District Office. To receive an application for an absentee or early mail ballot, please contact the District Clerk by mail at 1211 Mill Street, Fabius, NY 13063, by email at jgasparini@fabiuspompey.org, or by calling (315) 683-5301. Completed applications must be received no later than 4:00 p.m. on May 20, 2024. Completed applications must be received no later than 4:00 p.m. on May 14, 2024, if the absentee or early mail ballot is to be mailed to the voter. Completed applications received after 4:00 p.m. on May 14, 2024, will require the voter to personally appear at the office of the District Clerk to receive an absentee or early mail ballot. Please contact the District Clerk at (315) 683-5301 with questions.

Proposition I: SHALL THE FOLLOWING RESOLUTION BE ADOPTED? YES NO RESOLVED, that the Board of Education of the Fabius-Pompey Central School District, County of Onondaga, State of New York, be and hereby is authorized to expend during the fiscal year 2024-2025 the sum of \$20,916,700 as set forth in its statement of estimated expenses and to levy the necessary taxes thereof.
Proposition II: SHALL THE FOLLOWING RESOLUTION BE ADOPTED? YES NO Shall the Board of Education of the Fabius-Pompey Central School District be authorized to purchase and finance two (2) 60-passenger diesel school buses and one (1) 66-passenger diesel school bus with a luggage compartment, including necessary furnishings, fixtures and equipment and all other costs incidental thereto, and expend a total sum not to exceed \$492,000, which is estimated to be the total maximum cost thereof, and said amount, or so much thereof as may be necessary, shall be raised by the levy of a tax upon the taxable property of said School District and collected in annual installments as provided by Section 416 of the Education Law; and, in anticipation of such tax, obligations of said School District, in the principal amount not to exceed \$492,000, shall be issued.
Proposition III: SHALL THE FOLLOWING RESOLUTION BE ADOPTED? YES NO To elect three (3) members to the Board of Education for three (3) year terms (7/1/24 – 6/30/27). The seats are presently held by William Heselden IV, Gina Myers and Carlena Wallace.

BOXHOLDER

Board of Education Candidates

Alison Brainard

My husband and I moved to Pompey 7 years ago to raise our daughters in a community that aligned with our values and to provide them with an opportunity to attend a phenomenal public school. As a mother of two 4th graders and a 2nd grader, I am deeply invested in the well-being and future of our school district. I understand the importance of quality education, parental involvement, and consistent communication.

Additionally, I am passionate about making a positive impact on our community. I have been an active volunteer in the elementary school since the girls began Kindergarten. Over the past 4 years, I have served as the Vice President for our FP recreational youth sports program. This program allows our students to not only build their athletic ability, but more importantly, teaches them the skills of sportsmanship and teamwork.

Professionally, I have built a career in Human Resources with a focus on bringing people together to achieve common goals through fostering collaboration, transparency, and enhanced communication. I believe in listening to concerns and perspectives of all stakeholders and working collaboratively to address current and upcoming challenges, as well as seize opportunities for growth and improvement.

With my combination of professional experience, parental perspective, and dedication to our community, it would be a privilege to support the success of every student by serving on our school board. I kindly ask for your vote.

Rachel-Storm Heasley

Hi, my name is Rachel-Storm Heasley. Having been an active member of the Fabius community for over a decade, my commitment to the district is deeply rooted. Currently, I have a 9-year-old attending the elementary school and a 5-year-old set to start kindergarten next year. During my time in Fabius, I have witnessed the community's determination to foster connection and growth. This is the energy that I aim to bring to the Fabius-Pompey board. My goal is to serve as a bridge to connect ideas and resolve differences for the betterment of our school district. I want our students and teachers to feel that enthusiasm for progress and success. I bring experience as a leader and advocate from my 20 plus years in human services as a caseworker, trainer, supervisor, and director. I also obtained a master's degree focused on organization behavior, policy advocacy, communication, and social change, which will further enhance my ability to be the bridge that I strive to be for our students and community.

Carlena Wallace

My name is Carlena Wallace, and I am honored to be considered for nomination to the Board of Education for the Fabius-Pompey School District. With over 30 years of finance experience, including as a CPA and currently as the Corporate Controller for NBT Bancorp, I offer extensive financial expertise combined with a passion for our kids and community.

As an alumna of the district and a parent of four children currently enrolled, and two children that have recently graduated, my commitment to the success and well-being of our schools is deeply personal. My family and I made a deliberate choice to return to my hometown because we recognize the immense potential of our school system.

In times of financial uncertainty, a nominee with a finance background is indispensable. Such expertise guarantees judicious resource allocation crucial during economic hardships and facilitates informed decision-making, grounded in a nuanced understanding of financial principles applicable to schools. With this blend, I am adept at navigating financial challenges, ensuring the preservation of educational quality for future generations.

I believe in the power of education to transform lives and communities, and I am dedicated to ensuring equitable access to educational opportunities for all students, particularly as we navigate budgetary challenges and administrative transitions.

Gina Myers

Hello, my name is Gina Myers. My family has been a part of the Fabius-Pompey community for 24 years with children in 9th and 11th grades. I joined the school board this past February to fill an open position. I am now running for a full three-year term because I am invested in the success and stability of our district and want what is best for the community, students, and teachers. I am in favor of the district providing new opportunities to increase academic success and support activities that foster student growth such as athletics, the arts, and clubs.

My background will allow me to contribute in a positive way. I am a registered nurse and full-time faculty member at Le Moyne College. I also serve as a research consultant and Board of Trustee member for St. Joseph's Health. My nursing education provides me with insight to the physical and mental health needs of students and the importance of making our schools a safe place for everyone. As a faculty advisor, my work with young college students has increased my awareness of how crucial the high school experience is in preparing our children for what comes next, whether that be college, trade school, or the workforce. Further, my faculty role gives me firsthand knowledge of the unique demands and support needs that come with being an educator.

I have served as a volunteer in the district and community since 2012, being most actively involved with the Association of Parents, Teachers, and Students (APTS), the Fabius-Pompey Friends of the Performing Arts (FOPA), and Girl Scout Troop #10747. I enjoy working alongside the families, community members, teachers, and leaders in our schools and believe that by working together we can tackle the challenges that come along and create a positive school experience for all. I would welcome the opportunity to continue to serve our district in this important way and ask for your support and vote on May 21st.

Cheryl Bliss

My name is Cheryl (Lysik) Bliss, '95 alum, proud parent of Grade a fourth grader and Boone a seventh grader, and I would like to express my interest in becoming a member of the Board of Education for the Fabius-Pompey School District.

After high school I attended Finger Lakes Community College where I played soccer and received my associates in liberal arts and science with a focus on Early Education. I then transferred to Rochester Institute of Technology where I received my associates in Sign Language Interpreting from NTID and played soccer and rugby.

Some attributes that I bring to this position are strong leadership, effective communication, understanding teamwork, constant reliability and honesty.

During my 11 years working at FP, along with my 40 years living in the school district, I have built strong relationships and met many members of the

I have had an interest in becoming a member of the Board for some time now. I would love the opportunity to work with families, students, and school representatives to continue to navigate changes that may arise so that all students can Enter to Learn, Leave to Serve.

community. In the community, I am a proud member and volunteer for the Pompey Lions Club and the Pompey Community Church

William Heselden IV

Hello, my name is Bill Heselden. I am requesting support from the district for re-election to my fourth term on the Fabius-Pompey school board. As a life time resident of Pompey, graduating in the class of 1985, I understand the important role that the school plays in the community. I have four children (Katie, Billy, Ryan and Tori) who graduated and benefited from the quality Fabius-Pompey (FP) education. I am currently employed as a Program Manager at TTM Technologies (Formerly Anaren, Inc.) My approach to the school board is similar to my approach as a Program manager. First and foremost is to focus on the educational requirements and needs of the district, while maintaining fiscal responsibility to the tax payer. With the hiring of a new administrative staff at the Fabius-Pompey District, it is critical that the tax payers have an experienced, knowledgeable and qualified board to assist with that transition and continued educational success of the Fabius-Pompey School District. Thank you.

FROM THE BOARD OF EDUCATION

Every year the budget development process commences in January, extending until final adoption in spring. It aims to strike a delicate balance between the district's financial obligations and meeting the needs and goals of the district. When allocating resources, our primary focus lies in enriching educational opportunities and ensuring our students are prepared to compete effectively. Though not obligatory, the provision of Honors, AP classes, STEAM, and Pre-K programs, alongside various extracurricular activities, underscores our commitment to providing a comprehensive education program and fostering competitiveness among our students.

We have implemented various initiatives over the past few years. Some of these initiatives are; establishment of a Pre-K program, increasing mental health staff, development of an Agriculture program and a STEAM initiative. With safety a concern we have installed safety measures and hired a school resource officer. We aim to further develop our Pre-K program contingent upon securing a grant. We are also working to align our curriculums across all grades to address lingering effects in math and reading from the pandemic.

Achieving and maintaining a balanced budget necessitates either increasing revenue or decreasing expenses, a fundamental principle familiar to us all. State funding stands as a vital revenue source for many school districts in New York State. However, to balance the State budget, the State has kept Foundation Aid flat for local districts including ours. State funding equates to about 50% of our revenue. This compels us to grapple with challenging decisions regarding budget priorities potentially leading to reductions in spending

New York State's property tax cap requirement imposes restrictions on the annual increase in property taxes that school districts can impose. While this cap serves to control property tax increases for taxpayers, it presents challenges for school districts in generating sufficient revenue. It is tough enough to manage the budget under normal circumstances, yet it becomes particularly difficult as expenses continue to rise due to an increase in cost caused by inflation. In addition, to be respectful of our local residents we are trying to limit the increase in taxes on the district taxpayers.

Our expenses are significantly impacted by several factors. Considering the effects of inflation over the last couple of years, escalating costs of goods and services such as utilities, supplies and employee benefits place a strain on our budget. We have limited control over these costs while we aim to retain and attract qualified employees to educate our children. Despite a recent decrease in inflation, the prices of materials, and supplies continue to outpace revenue streams. Service contracts signed before the inflationary spike are now expiring. Providers seek to recoup losses and cover their own inflationary cost by securing new contracts at a higher price. As an example, our electricity contract through our municipal cooperative was recently renewed at a price twice as high as three years ago. We anticipate this trend to persist, impacting operations at least until the 2025-26 school year, and potentially longer if inflation remains stubbornly high.

We continue to grapple with ongoing recovery efforts from the COVID-19 pandemic. These include addressing learning loss, providing mental health support for students, along with implementing needed safety measures. These endeavors require additional funding and resources further complicating budgeting decisions. State and federal funding that supported many of these measures during the last three years is now ending.

By establishing and building reserve saving accounts and not having used \$750,000 of the State Smart Schools Bond Technology Money allocated to us in 2015, we have diligently prepared for this situation over the past few years. We have devised a strategy to tackle the decline in revenue and the rise in expenses. It's important to note that approximately 80% of the costs for our Pre-K program, transportation, certain technology, and capital project expenses are covered by aid, leaving only an approximate 20% impact locally. Therefore, amidst escalating inflation affecting all aspects of our operations in addition to increases for employee contractual obligations, we need to implement spending reductions along with some attrition to help balance the budget. We feel we can do this while still upholding the educational standards you expect and our students deserve. To alleviate the burden of imposed taxes, we will use some of these reserves and part of the Smart Schools Bond Technology Money. This year, we are adhering to the allowable tax cap of 2.9%, representing a tax increase of \$270,305 over the previous year. Our total budget stands at \$20,916,700, marking a 0.37% increase compared to last year. It's worth noting that this challenge is not exclusive to the Fabius Pompey School District but is prevalent among our neighboring districts as well.

The rising costs of education coupled with stagnant revenue streams present significant obstacles in maintaining the quality of our schools while providing for the diverse needs of our students. Navigating through these challenges requires a commitment to fiscal responsibility, innovative problem-solving, and transparent communication with our community. Together, we will overcome these hurdles and ensure a promising future for our schools and our community. We hope to see you at the May 7th Budget Hearing, in the MS-HS Auditorium starting at 6:30 PM!

Fabius-Pompey Board of Education

John Repak, President Eric Exelby, Vice President Denise Fresina DiRienzo, Board Member Holly Frazee, Board Member William Heselden IV, Board Member Gina Myers, Board Member Carlena Wallace, Board Member

Proposed Budget Details Expenditures

> The following pie chart represents the percentages of the entire proposed Budget represented by each revenue category.

Proposition II - Transportation

The Fabius-Pompey Central School District asks its voters each year to approve a bus purchase request, which will replace costly or aging school vehicles. This year the Board of Education will conduct a Special meeting on Tuesday, May 21, 2024 to seek approval for the purchase of three (3) school buses, not to exceed the cost of four hundred ninety-two thousand dollars (\$492,000).

The District currently maintains 26 vehicles in its fleet to safely transport our students. Regular academic transportation includes transporting our students to and from school, transporting our special needs students to programs that lie outside the District, transporting students enrolled in BOCES occupational programs to locations outside the District, and transporting our students on educational field trips. School buses are also used for transporting students who participate in extra-curricular activities, such as interscholastic athletics and student club events. The total fleet mileage for last year 2022-2023 was 272,536

Frequently Asked Questions

- Q. Compared to last year's school budget, is there an increase in the 2024-2025 school budget? If yes, why?
- A. Yes, a small increase. Healthcare continues to be the primary reason for the increase. District contributions to the retirement system also continue to increase. The School District has essentially no control over these costs, which are up \$289.265.
- Q. Considering that nearly 50 percent of Fabius-Pompey's operating revenue is from New York State aid, what is the status of this aid?
- A. New York State passed its budget bills late again this year. Foundation Aid, which is the largest form of aid, did not increase. This is creating intense pressure on local revenue sources (e.g., tax levy) and other revenue sources (e.g., grants) to fund increasing costs in the school budget.
- Q. Is the School District using Fund Balance (i.e., "Savings Account") to offset increases to expenses in the budget?
- A. Yes. The School District is applying \$650,000 from its Savings Account to offset local expenses in the 2024-2025 school budget. The District will still retain a fund balance of approximately \$4,000,000 at the end of the school year; however, this balance is a decrease from a year ago.
- Q. What has the Board of Education determined to be the tax levy increase?
- A. 2.9 percent.
- Q. What will be the <u>estimated</u> tax rate increase for the 2024-2025 school year? If different from the tax levy increase, why is it different?
- A. Approximately 2.78 percent. This is less than 2.9 percent because new home constructions, additions and improvements to properties in the District spreads out the tax levy increase to more taxable property.
- Q. Is there funding for a small capital project in the operating budget?
- A. Yes, as in past years, there is an interfund transfer of \$100,000 in the 2024-2025 school budget to pay for district-wide security and safety enhancements. This was determined by the facilities committee, administration and architects as an immediate and necessary need. The local taxpayers' share is \$16,500, since building aid from a similar small project last year is providing \$83,500 in current year aid.
- Q. What other new or additional expenses are in the budget?
- A. The District has budgeted \$35,000 on cameras for which it will receive \$28,000 back from the state in 2025-26, which means the taxpayers ultimately pay \$7,000. Also, the School District's energy/electricity costs next year will be increasing substantially.
