

Dear 3rd Grade Parents,

My name is Mrs. Brown-Paul and I will be your child's classroom teacher for the 2023-24 school year. This is my sixth year in 3rd grade after working as a Special Education Teacher for 5 years here at Fabius-Pompey.

I currently live in Tully with my two children (Sam-18 and Maddie-17), two cats (Lola and Ellie), and my dog (Mia). I enjoy hiking, camping, going to concerts, and spending time with my kids.

The 2023-24 school year is going to be exciting for all of us. In third grade your child will continue to strengthen their reading, writing, and speaking skills. We will also continue to explore Math concepts such as multiplication, division, and fractions. In Social Studies, we will be studying communities and in Science, we will be learning about animals, habitats, traits, and conservation of resources. My goal with all subjects is to provide a variety of hands-on, student-oriented tasks that are enjoyable and educational.

Your child should have the following supplies for the start of school

- 36 #2 pencils
- Colored pencils
- Highlighter Marker
- Small work box
- Scissors
- Glue Stick (16)
- 1 two-pocket folder (sturdy)
- 5 whiteboard markers
- 3 Composition Notebooks (sewn, not spiral wired)

**look for sales, they should be ~ \$0.50/notebook

**if possible, yellow, red, and blue or green

The following are not required, but would be much appreciated and put to good use throughout the school year

- Tissues
- Clorox wipes
- Gallon size plastic bags

I believe that strong home-school connections will make your child's schooling experience much more meaningful and enjoyable. I will provide you with frequent communications throughout the year. Please visit my website on

the Fabius-Pompey School District webpage (<http://www.fabiuspompey.org/teacherpage.cfm?teacher=503>) and don't hesitate to contact me by email at sbrownpaul@fabiuspompey.org. Together, I know that we can make the next school year out of this world!

Sincerely,

Sarah Brown-Paul
